“Follow your heart” is a creed embraced by billions. It’s a statement of faith in one of the great pop-cultural myths of our day — a gospel proclaimed in many of our stories, movies, and songs. Until you consider that your heart has sociopathic tendencies. Our hearts were never designed to be followed, but to be led. Our hearts were never meant to be gods in whom we believe, but to believe in God. This book contains 31 meditations for recalibrating your heart. It is a collection of helps for common heart problems. Because your biggest problems in life are heart problems. Jon Bloom will help you follow Jesus by resisting your heart’s errant predilections and directing it to do all God’s will.
