**In the great American tradition of the spooky campfire tale, New York Times bestselling author E.G. Foley presents 50 States of Fear, a frightful-but-funny paranormal series for kids, set in all 50 States! From Civil War ghosts in Alabama to weird Wyoming cowboy legends, there's always something to scream about in Ahhhh!-merica.**

ARKANSAS - "The Natural State" - Outdoorsman's Paradise...with "Wild Man" sightings since 1846!

The lone computer geek in a family of Eagle Scouts and football heroes, Nate Dunning would rather play video games than go camping any day. But after a run-in with the bully of the middle school, Nate's rugged, outdoorsman dad drags him out into Nature to toughen him up and teach him some survival skills. Just his luck, everything goes horribly awry when his dad forces him to stay out overnight in a tent all alone. Except that he isn't alone. Turns out the crazy old man at the country store was telling the truth. "Thar's bigfoots in them woods!" Talk about a hairy situation.
