## **Dagger 2 - Blood Brothers - A Dark Fantasy Adventure (Born to Be Free series)** Walt Popester

After the troubled journey which has brought him away from the world Beyond, **Dagger** awakens within the safe walls of the Fortress. But danger is far from gone. It no longer has the sinister appearance of a shadow searching for him in the wrecks of Melekesh, nor of a Tankar hunting him down in the bowels of the earth. Now the enemy comes from within. Internal conflict is tearing the **Guardians** apart, as war knocks at their door. What is the face of the **nightmare** no one dares to fight? What's hidden in the ancient ruins of Adramelech, that seem to have a will of their own, manipulating and crushing the lives of those approaching to hear their whispers?

**Dagger** is a saga of five novels. You can find book 1, **Dagger - The Light at the End of the World**, free on Amazon and other major online retailers. The third book, **Dagger 3 - God of Emptiness**, is currently in progress.
