THE CHRISTMAS TARGET

When new evidence surfaces that Harper Shelby's niece is possibly alive, Harper doesn't expect it to endanger her life. For her protection, she has to put her much-guarded trust in Logan Fitzgerald, the man who unknowingly led a killer to her doorstep. Hired to track Harper down, security and rescue expert Logan doesn't like that he's been used to find a woman who someone apparently wants dead. Now he won't leave Harper's side until he can guarantee her safety and untangle the truth from the lies regarding her sister's and niece's murders. The closer they get to finding answers, the more intent the killer becomes on making sure that there won't be a family reunion—or happily-ever-after—for Harper this Christmas.
