- A **web site**— www.aspenlawschool.com/baker2—that features **links to supplemental reading, updates**, and other materials

Revised and completely updated, the Second Edition:

- **Now organizes liability insurance coverage into separate units for different kinds of liability insurance** and includes new units on auto and professional liability insurance
- Includes a **new unit in the property insurance section on Katrina**
- **Moves regulation to the back of the text**, reflecting the judgment that students appreciate and understand that topic best once they have learned about insurance through the traditional insurance coverage topics
- **Simplifies and updates ERISA materials and incorporates them into the units on health and disability insurance** so that students learn about ERISA in context
- Incorporates extensive feedback from satisfied adopters of the first edition
