MasteringChemistry with Pearson eText -- Standalone Access Card -- for General Organic, and Biological Chemistry: Structures of Life (4th Edition) Karen C. Timberlake

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

Used by over 1.5 million science students, the Mastering platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. The eText pages look exactly like the printed text, and include powerful interactive and customization functions. This is the product access code card for MasteringChemistry with Pearson eText and does not include the actual bound book.

Designed to prepare students for health-related careers, *General, Organic, and Biological Chemistry: Structures of Life* breaks chemical concepts down into manageable pieces and offers a step-by-step approach that clarifies student understanding. Timberlake's friendly writing style, student focus, strong problems, and engaging, health-related applications make this book a best seller among its peers.

The **Fourth Edition** emphasizes connections between chemistry and students' future careers — and develops the problem-solving skills students need beyond the classroom. Each chapter now includes **NEW chapter-opening Career Interviews** and **Career Focus** features to illustrate the role chemistry plays in modern, health-related professions. A new **Analyze the Problem** feature furthers critical-thinking skills by showing students how to break down a word problem into the components needed to solve that problem. Throughout the new edition, national student performance data collected through MasteringChemistry® on assigned problems informed the extensive revisions to end-of-chapter problems, ensuring their effectiveness.

This package contains:

- Standalone Access Card for Pearson eText for General, Organic, and Biological Chemistry: Structures of Life, Fourth Edition
- Student Access Code Card for MasteringChemistry
