"Through, With and By" . . . "Mark Boyatt, former professional colleague while on active duty and now permanent friend, has produced, in "Special Forces - A Unique National Asset" an excellent and comprehensive history of one of our nation's premier military tools. This is a vibrant description of how it works and how it can and should be used by our national leadership. He gets it right - warts and all - and it will be an invaluable teaching and reference tool for both military and civilian leaders interested in our national security." -David Passage, US Ambassador/Retired, former NSC official and first Foreign Affairs Adviser to the Commander/USSOCOM.
