The One and the Seven Prophecy: The Eagle Above the Serpent in 2012 Vol. VI Richard M. Meads

As things unfold with recent events in 2009 Vol. VI, the vibrations of Ancient Atlantis and the Egyptian Gods still resonate from my location down in Miami Beach. I continue utilizing divination and decoding methods from my "mystical decoding process." This book involves my on-going attempts to harmoniously blend together the Qabalistic spirit worlds (sephiroth) and the chakras of the East, plus any lingering vibrations of Atlantis and Lumeria (East and West); along with cooperation, compatibility, thinking worldly, etc. "Mystical decoding process" tools consisting of: tarot cards, mythology, metaphors, synchronicities, color, sound, vibration, number, etc, demonstrated in past Vol.'s help evaluate and expand new trends and events that unfold in Vol. VI. I illustrate how recent events in Vol. VI also contribute to a few past events and predictions decoded from my earlier Vol.'s. This book maintains my emphasis of one's self experience (micro) vs. larger events (macro). New unique perspectives involve attempts to relate my findings to any spiritual transformation progress in America and the World as we move towards 2012 and beyond. Self experiences (both dream state and physical) along with late-night talk radio topics provide this book with valuable information resources. Additional focus points involve: Mind and Heart spiritual connections, Horus and Quetzalcoatl spirit qualities, "Earth Rhythm Changes," advanced technology, the ancient worlds, possible future space exploration goals, etc; and how all these concepts perhaps could merge together.
