A Christian Rebuttal to Anita Moorjani's Dying To Be Me: My Journey from Cancer, to Near Death, to True Healing by Robert Alan King is a book with over 12,800 words. This rebuttal is about the claims concerning Moorjani's spiritual experience during a supposed NDE along with the false theological concepts that the book is proclaiming to the world as truth. It examines the details of her experience and the teachings that follow because of it in light of God's revealed word in the Bible. It also takes a serious look at Moorjani's cancer remission and explores its highly unlikely relevance to her spiritual experience and her self-proclaimed new sense of awareness.
