## **A More Excellent Way: Be in Health** Henry W. Wright

The root of psychological and biological disease is spiritual. Pastor Henry W. Wright not only equips the church to defeat sickness, but he also demystifies it by showing, from God's perspective, why mankind has disease in the first place. The problem is not that God cannot heal disease or does not want to; the problem is that mankind does not understand disease. God's perfect will is not to heal you; His perfect will is that you won't get sick. A More Excellent Way is a valuable resource in assisting spiritual leaders, healthcare professionals, and all individuals in understanding the spiritual dynamics behind diseases of the body, spirit, and soul. Through this book, you will "Discover why mankind has disease." "Uncover the spiritual roots of disease." "Understand barriers to healing." "Practice effective disease prevention." "Learn spiritual pathways to wholeness and health." "Know how to overcome pain and sickness." "Grow in medical knowledge and spiritual wisdom." "Claim your biblical victory over disease." "Find the time to rest and be whole." "Grasp God's perfect will for your perfect health." "Surpass disease management and achieve complete victory in Christ!" "Disease prevention and eradication...not disease management, is my goal." -Pastor Henry Wright
