**Best Friends with Benefits (Most Likely To) Candy Sloane**

*Seven minutes in heaven never felt so good...*

Valerie Barkin and Alec Rogers survived bullies, awful parents, and seriously shitty social standing the only way best friends can—together. But with the unexpected sexual tension suddenly flaring between them, surviving their ten-year high school reunion might be a different story...

Val hasn't changed. She still feels like the stringy-haired band geek the popular kids teased, but Alec has definitely changed. He's now the front man for the Grammy-winning rock band Chronic Disharmony, with the sexual reputation to match. And he's more than willing to help Val rock the reunion.

And then it happens—a drunken game of Seven Minutes in Heaven—and their fourteen-years-long foreplay comes crashing to the forefront...changing everything.

Seven minutes turns into a weekend of mind-blowing, no-strings-attached sex. But these best friends won't be able to leave their hearts out of it forever, not when the most meaningful benefit could change their relationship for good.
