We connect to the nature of wisdom, mind, and mastery -- and understand why it's not just important but *essential* for us to expand our world view and the "mistaken" assumptions we've been living in.

In Part 2 Live the Wisdom we are offered the entire set of 21 distinctions in new thinking that have us "living fully dimensionally."

This is uniquely new thinking that has the power to change the course of human destiny as well as your own. It's a book that is truly "a friend for life."
