## **The New Manager's Starter Kit: Essential Tools for Doing the Job Right** Robert Crittendon

"New managers can find hope (and help) with this handbook of practical, upbeat advice from a 40-year veteran of the business battlefield. This book takes readers through the fundamentals of management, including chapters on how to successfully manage yourself, your employees, your boss, and your reputation. *The New Manager's Starter Kit* provides the techniques necessary to make it as a manager, answering questions like:

- \* What is the biggest mistake a manager can make in hiring?
- \* Why must managers make communications an obsession?
- \* What is the "planning hierarchy"?
- \* When, where, and how should a manager fire someone?
- \* How can satisfying ten basic employee needs transform you into a leader?

With rules and tools included in each chapter, this book will help the less experienced manager master critical skills for job success and personal satisfaction."
