Stephen McGarva

The powerful, heartbreaking, yet hopeful, story of Steve McGarva's heroic crusade to save the *satos*, or stray dogs of Puerto Rico, and an impassioned appeal to help all animals in need.

Looking for inspiration and adventure in their lives, Steve McGarva and his wife Pam moved to Puerto Rico. While kite surfing at Playa Lucia, Steve made a shocking discovery—a sick and abandoned dog—that would transform his life. With its shimmering white sand, palm trees, and dazzling azure water, the beach looked postcard perfect. But its beauty hid a dark side: To the locals, this slice of paradise was known as Dead Dog Beach—a notorious dumping ground for the island's unwanted canines.

Considered a threat to the area's lucrative tourism industry, these defenseless animals were in constant danger of brutality and death. Enraged, and refusing to accept such cruelty, McGarva began protecting these helpless animals—actions that would jeopardize his marriage, challenge his sanity, and make him a target of locals determined to stop him.

*The Rescue at Dead Dog Beach* is the story of Steve's fearless dedication to hundreds of dogs, and his efforts to expose their systemic abuse. Exposing the true costs of the tourist industry, it is also a call to arms for animal lovers, offering insights and practical information to help strays anywhere in the world.
