*Rylee and Colton's ride continues...*

**One moment. Six years ago.**

The night she made the world around me so much more than just a blur. Now it's the catalyst that threatens to tear us apart.

Our happily was supposed to be ever after. So why do I feel like it's slipping through my fingers?

How can one moment, when our world seemed so right, resurface and cause our perfect life to spiral out of control?

I can't lose her.

She's my checkered flag.
