Every cruising sailor knows San Francisco Bay as a cruising destination, but even many local sailors do not know the multitude of destinations available. Within a few hours sail are the often cool City Front and sunny Alameda, busy Sausalito and sleepy Suisun City, accessible South Beach Harbor and remote China Camp. Sailors will discover all the open anchorages and marinas from as far south as Alviso to as far north as Suisun City.

Included for all these destinations are detailed instructions on how to get there safely, where to anchor or tie up, and what to do. Charts and photographs supplement the directions and descriptions. Even most longtime San Francisco Bay sailors will find something fresh in the comprehensive Cruising Guide to San Francisco Bay. Includes charts and illustrations.
