Donna Kooler's Revised Encyclopedia of Quilting (Leisure Arts #15962) (Donna Kooler's Encyclopedia of ...) Donna Kooler

This 240-page book is the complete, authoritative guide to the history, techniques, and patterns for the quilting enthusiast, and now it's been updated with even more helpful information about what's popular in quilting today (such as pre-cut fabric packs and yo-yo templates). Expanded information is given in some areas, including setting options, quilting information, binding, and more. Nineteen skill-building projects are beautifully photographed and accompanied by detailed instructions and clear how-to illustrations. Four fresh new designs feature updated colors and fabrics. The pattern gallery includes 80 pieced blocks (each shown not only as a single block but also as four joined together), 10 appliqué patterns, and 14 quilting patterns. A source list, cross-referenced index, and bibliography round out a volume that quilters will refer to again and again.

Encyclopedia of Quilting: Updated and Revised is the 2011 winner of the Living Now Silver Award for the Crafts/Hobbies/Collecting Category. The annual Living Now Book Awards are designed to honor the year's best books that help readers attain healthier, more fulfilling, and productive lives. Judging was based on content, originality, design, and production quality, with emphasis on innovation and creativity. Judges included experts from the fields of editing, design, reviewing, bookselling and library.
