Green Earth Guide: Traveling Naturally in Switzerland Dorian Yates

Green Earth Guide: Traveling Naturally in Switzerland is the third guide in the ecotravel series to Western Europe. As in the award-winning Green Earth Guides to France and Spain, author Dorian Yates covers where to eat, sleep, shop, relax, do yoga, and sightsee in Switzerland with a focus on local and organic foods, public transport, low-impact recreation, alternative health services, and ecological businesses. Written in a friendly, accessible style with personal anecdotes, how-to travel tips, and practical information, Yates helps travelers leave a small footprint wherever they venture in Switzerland. If you are conflicted about the greenhouse effect of your flight, prefer herbs and vitamins to pharmaceutical drugs, would rather eat local and organic foods, want to practice yoga on your trip, and hope to find cheap bicycle rentals, Green Earth Guides are for you.
