The Pathfinder: or, The Inland Sea

James Fenimore Cooper

The Pathfinder: or, The Inland Sea James Fenimore Cooper

This collector-quality edition includes the complete text of James Fenimore Cooper's classic tale of romance and adventure along the colonial Canadian frontier in a freshly edited and newly typeset edition. With a large 7.44"x9.69" page size, this Summit Classic edition is printed on hefty bright white paper with a fully laminated cover featuring an original full color design. Page headers and proper placement of footnotes exemplify the attention to detail given this volume. "The Pathfinder" was published in 1840, the fourth published of Cooper's "Leatherstocking Tales" saga. Chronologically, it is set after "The Last of the Mohicans" and before "The Pioneers" and thus third in the series. Sent on a secret mission to a British fortress hidden among the Thousand Islands of Canadian Lake Ontario, Cooper's indomitable frontier hero, Natty Bumppo, sometimes called Hawkeye or Deerslayer, is known in this tale as the Pathfinder, guiding his companions on the perilous journey to Lake Ontario, "inland sea" of the novel's subtitle. Against the background of Cooper's vivid descriptions of the frontier and the wilderness, the Pathfinder and his loyal friend Chingachgook protect the lovely Mabel Dunham, lead the party through a series of forest skirmishes, flights and escapes, and ferret out a traitor. Along the way the Pathfinder and his party ride out a storm on the lake, battle Iroquois on the Oswego River, and navigate a birch-bark canoe over a waterfall. As in many of Cooper's historical novels, a subplot of the book is a romance, this time involving the Pathfinder, Mabel and a handsome young lake captain, Jasper Western. With the publication of "The Spy" in 1821, James Fenimore Cooper became an international figure and the first authentic American novelist, free of the forms and conventions of the British fiction of the day. With "The Leatherstocking Tales" he became the first great interpreter of the American experience, chronicling the adventures of the indomitable Natty Bumppo, known variously as "Hawkeye," "Deerslayer," "Pathfinder," "Leatherstocking" and other names, from the colonial Indian wars through the early expansion into the vast western plains. Published between 1823 and 1841, beginning with "The Pioneers" and ending with "The Deerslayer", the tales are set against historical events ranging from 1740 to 1804, with Cooper taking some literary license with the actual chronology of events, probably to avoid having Bumppo ranging the Great Plains at over 90 years of age. This edition of "The Pathfinder" is the fourth volume in a new series of the complete Leatherstocking Tales released by Summit Classic Press.

From reader reviews:

Kelly Watson:

Here thing why this particular The Pathfinder: or, The Inland Sea are different and trustworthy to be yours. First of all looking at a book is good however it depends in the content from it which is the content is as scrumptious as food or not. The Pathfinder: or, The Inland Sea giving you information deeper since different ways, you can find any book out there but there is no guide that similar with The Pathfinder: or, The Inland Sea. It gives you thrill studying journey, its open up your current eyes about the thing in which happened in the world which is might be can be happened around you. It is possible to bring everywhere like in playground, café, or even in your means home by train. In case you are having difficulties in bringing the paper book maybe the form of The Pathfinder: or, The Inland Sea in e-book can be your alternative.

Bertha Davis:

Do you have something that you want such as book? The book lovers usually prefer to choose book like comic, small story and the biggest you are novel. Now, why not trying The Pathfinder: or, The Inland Sea that give your fun preference will be satisfied through reading this book. Reading addiction all over the world can be said as the opportunity for people to know world better then how they react toward the world. It can't be said constantly that reading routine only for the geeky person but for all of you who wants to possibly be success person. So , for all you who want to start examining as your good habit, you are able to pick The Pathfinder: or, The Inland Sea become your personal starter.

James Thrasher:

Your reading sixth sense will not betray a person, why because this The Pathfinder: or, The Inland Sea book written by well-known writer whose to say well how to make book that can be understand by anyone who have read the book. Written with good manner for you, still dripping wet every ideas and composing skill only for eliminate your personal hunger then you still skepticism The Pathfinder: or, The Inland Sea as good book not simply by the cover but also by the content. This is one book that can break don't determine book by its cover, so do you still needing an additional sixth sense to pick this particular!? Oh come on your examining sixth sense already told you so why you have to listening to another sixth sense.

David Yoon:

As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Pathfinder: or, The Inland Sea can make you really feel more interested to read.
