The Toyota Way to Success EBOOK BUNDLE Jeffrey Liker, David Meier, James K. Franz

Four E-Books in One

The Toyota Way

TOYOTA. The name signifies greatness— world-class cars and game-changing business thinking In factories around the world, Toyota consistently makes the highest-quality cars with the fewest defects of any competing manufacturer, while using fewer man-hours, less on-hand inventory, and half the floor space of its competitors. The international bestseller *The Toyota Way* written by Jeffrey Liker, is the first book for a general audience that explains the management principles and business philosophy behind Toyota's worldwide reputation for quality and reliability.

The Toyota Way Fieldbook

The Toyota Way Fieldbook is a companion to the international bestseller *The Toyota Way* . The book builds on the philosophical aspects of Toyota's operating systems by detailing the concepts and providing practical examples for application that leaders need to bring Toyota's success-proven practices to life in any organization..

The Toyota Way to Lean Leadership

In *The Toyota Way to Lean Leadership*, Jeffrey Liker and Gary L. Convis present a four-step model top leaders can use to create a culture dedicated to continuous improvement. The authors provide the tools to getting employees to refocus their efforts—from simply performing their singular function to delivering value across all functions. Managers learn how to foster self-development in every employee, at every level; put each employee in the position to develop others; and remove obstacles and set the types of goals that ensure every team contributes to continuous improvement and the attainment of long-term goals.

The Toyota Way to Continuous Improvement

In *The Toyota Way to Continuous Improvement*, Jeffrey Liker, bestselling author, teams up with former Toyota production engineer James Franz to explain the underlying thinking behind continuous improvement and why any company needs a disciplined approach to process improvement in every part of the organization. Liker and Franz outline the common mistakes in thinking that limit results, and they reveal how Toyota achieves its dual objectives of improving business performance and developing its people through following Dr. W. Edwards Deming's teachings of Plan-Do-Check-Adjust (PDCA).
