## Wingbeats: Exercises and Practice in Poetry

**Wingbeats: Exercises & Practice in Poetry** is an exciting collection from poets who teach both in and outside academia. Fifty-eight poets in various stages of their careers have contributed sixty-one exercises ranging from quick and simple to involved and multi-layered. In seven chapters, ranging from "Springboards to Imagination" to "Chancing the Accidental" to "Complicating the Poem," each exercise includes not only clear step-by-step instructions, but numerous poems that exemplify the successful completion of the exercise. *Wingbeats*, edited by Scott Wiggerman and David Meischen, includes exercises for working in pairs and/or groups, for incorporating research and/or the Internet, for writing outdoors, for creating a hands-on experience. Of course, traditional poetic techniques covering metaphor, persona, forms, and revision are also included. *Wingbeats* is destined to become a standard instructional book in every poet's library.
