After surveying over 500 men about their most intimate desires and fantasies, and accumulating the personal stories of dozens of sexually--and romantically--successful couples, Naura Hayden has the answer!

According to Hayden, it has nothing to do with a woman's age, looks, personality or love for her partner, it's all about sex--both the techniques and the psychology. Now in this revolutionary audiobook, Hayden tells women how to captivate their mates--and experience the mental, physical, spiritual, and emotional ecstasy they crave!.
