Knowledge Management in the Intelligence Enterprise (Artech House Information Warfare Library)

Edward Waltz

This system-level resource specifically applies knowledge management principles, practices and technologies to the intelligence domain. Designed for those responsible for the management of an intelligence enterprise operation and its delivery of reliable intelligence to key decision-makers, the text describes the essential principles of intelligence, from collection, processing and analysis to dissemination, for both national intelligence and business applications. The author aims to provide a balanced treatment of the organizational and architectural components of knowledge management, offering an understanding of the system infrastructure, tools and technologies necessary to implement the intelligence enterprise. He explores real-world applications and presents a detailed example of competitive intelligence unit design. Including over 80 illustrations, the volume offers a practical description of enterprise architecture design methodology, and covers the full range of national, military, business and competitive intelligence.

From reader reviews:

Mack Washburn:

The reason why? Because this Knowledge Management in the Intelligence Enterprise (Artech House Information Warfare Library) is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will zap you with the secret it inside. Reading this book alongside it was fantastic author who also write the book in such incredible way makes the content within easier to understand, entertaining method but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of advantages than the other book have got such as help improving your ability and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the e-book store hurriedly.

Jean Hogue:

Playing with family in a very park, coming to see the ocean world or hanging out with pals is thing that usually you may have done when you have spare time, and then why you don't try thing that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Knowledge Management in the Intelligence Enterprise (Artech House Information Warfare Library), you can enjoy both. It is fine combination right, you still wish to miss it? What kind of hang type is it? Oh occur its mind hangout men. What? Still don't have it, oh come on its named reading friends.

Harry Thomas:

In this era which is the greater person or who has ability to do something more are more important than other. Do you want to become considered one of it? It is just simple approach to have that. What you need to do is just spending your time little but quite enough to possess a look at some books. On the list of books in the top listing in your reading list will be Knowledge Management in the Intelligence Enterprise (Artech House Information Warfare Library). This book which is qualified as The Hungry Inclines can get you closer in turning out to be precious person. By looking way up and review this publication you can get many advantages.

Amy Christensen:

Do you like reading a guide? Confuse to looking for your preferred book? Or your book ended up being rare? Why so many query for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes examining, not only science book but novel and Knowledge Management in the Intelligence Enterprise (Artech House Information Warfare Library) or even others sources were given knowledge for you. After you know how the good a book, you feel need to read more and more. Science book was created for teacher or students especially. Those books are helping them to put their knowledge. In some other case, beside science reserve, any other book likes Knowledge Management in the Intelligence

Enterprise (Artech House Information Warfare Library) to make your spare time a lot more colorful. Many types of book like this one.
