One night.

One love.

One heart.

One forever.

The concluding part of the Swanson Court Trilogy.

What do you do when you take a leap of faith, and you don't get what you expected?

You move on.

That is exactly what Rachel plans to do, to put aside her heartbreak, and concentrate on her work and the people she loves.

But Landon is not easy to forget. When he reappears in her life, is he offering the perfect ending she wants more than anything, or just another flirtation with heartbreak, pain, danger, and devastating loss.
