Summary: Accidentally Heroic is a tale of superheroes, lost love, and food poisoning. The year is 2011. Cousins Luke and Larry are two average guys, well, aside from having super powers. The mystery begins when the duo stumbles on a villain left for dead. Enemies become friends, and the heroes are caught in the crossfire of an old war. Trekking across the country, they unearth a tragic love story, a conspiracy to reveal their kind to the world, and their own incredible family saga. Their journey will include a socially-inept healer, a surly immortal, and (of course) frequent mortal danger. Leave your cape at home. Accidentally Heroic blends action, humor, and drama in one mesmerizing saga.
