**Fundamentals Success: A Course Review Applying Critical Thinking to Test-Taking** Patricia M. Nugent, Barbara Ann Vitale

The difficulty level of multiple-choice questions can sometimes overwhelm nursing students, especially the beginner. Students need to demonstrate cognitive skills of applications and analysis. This book helps them to develop, apply and refine these skills for the NCLEX fundamentals exams. The book contains more than 1200 field-tested questions that are organized according to the generic content areas of the fundamentals course, plus 25 questions that reflect the innovative question format newly approved for NCLEX exams. It includes rationales for right and wrong answers and focuses on critical thinking skills and how they are applied. All the questions and review tests represent the depth of content within the major fundamentals books.
