Gracie's Girls Vivienne Hamilton

When Dr. Stanford tells fifty eight year old palliative care nurse, Grace Barrett, she has just a few months to live ... she laughs in his face. One year later, Grace continues to insist she is not going anywhere.

Determined to be there for her husband, Douglas, and their three troubled daughters, Grace employs the help of her sister, Ella, a renowned psychic medium. Together, they cook up a bizarre scheme involving an ancient Calusa Indian ceremony and shell mound located on their property in Marco Island, Florida. Gracie's Girls evokes tears and laughter as all five women face life's challenges. Gracie's interventions are always well intentioned...sometimes subtle, sometimes dramatic and often mischievous. Her eldest daughter, Tara, is a singer on the verge of giving up her dream. Amy, their middle child, is mother to three year old, Sophie. She is devastated by her husband's infidelity. Fifteen year old Katie is the baby of the family. Beautiful, witty and loving, she suffers at the hands of bullies. The first in a three part series, Gracie's Girls is about a love, so profound, it transcends even death, leaving the characters with a legacy they will never forget.
