**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

***The Career Tool Kit is designed to especially help community college and vocational school students of all ages develop the skills and attitudes needed to successfully complete their educational program: search for, find, and win the job they want; transition smoothly from school to work or successfully re-enter the workforce; and build a long, happy, and successful working life, all in a user-friendly and visually appealing design.***

Coverage of important topics includes developing and maintaining a positive self image, managing time, budgeting and organizing finances, avoiding or reducing credit debt, and tracking down the resources available at school, in the community, and online. A focus on self-awareness teaches readers how to get to know themselves better so that they understand what kinds of jobs might best suit their unique talents and qualities, how to network and locate job opportunities, and how to present themselves in the best possible light on a resume as well as in an interview, and how to handle both failure and success. Additional topics discuss workplace communication with managers, co-workers, clients, and customers; qualities and skills that employers look for in their employees; rights on the job; critical thinking at work; improving and maintaining mental health and social intelligence; motivation, and more.
