## **The Secret World of Doing Nothing** Orvar Löfgren, Billy Ehn

In this insightful and pathbreaking reflection on “doing nothing,” Billy Ehn and Orvar Löfgren take us on a fascinating tour of what is happening when, to all appearances, absolutely nothing is happening. Sifting through a wide range of examples drawn from literature, published ethnographies, and firsthand research, they probe the unobserved moments in our daily lives—waiting for a bus, daydreaming by the window, performing a routine task—and illuminate these “empty” times as full of significance. Creative, insightful, and profound, *The Secret World of Doing Nothing* leads us to rethink the ordinary and find meaning in today’s hypermodern reality.
