The Tale of Peter Rabbit

The Tale of Peter Rabbit is a British children's book written and illustrated by Beatrix Potter that follows mischievous and disobedient young Peter Rabbit as he is chased about the garden of Mr. McGregor. He escapes and returns home to his mother who puts him to bed after dosing him with camomile tea. The tale was written for five-year-old Noel Moore, son of Potter's former governess Annie Carter Moore, in 1893. It was revised and privately printed by Potter in 1901 after several publishers' rejections but was printed in a trade edition by Frederick Warne & Co. in 1902. The book was a success, and multiple reprints were issued in the years immediately following its debut. It has been translated into 36 languages and with 45 million copies sold it is one of the best-selling books of all time.

The book has generated considerable merchandise over the decades since its release for both children and adults with toys, dishes, foods, clothing, videos and other products made available. Potter was one of the first to be responsible for such merchandise when she patented a Peter Rabbit doll in 1903 and followed it almost immediately with a Peter Rabbit board game.

Beatrix Potter

Helen Beatrix Potter (28 July 1866 – 22 December 1943) was an English author, illustrator, natural scientist, and conservationist best known for her children's books featuring animals, such as those in The Tale of Peter Rabbit.
