## Watchfulness, Awareness, Alertness (OSHO Singles) Osho

How to explore the higher states of consciousness? According to Osho there are not many ways to explore higher levels of consciousness, there is but one: the way of awareness. "Man is almost unconscious. I say "almost" – there are moments, situations where he becomes conscious, but they are momentary".

#### **Thomas Pilcher:**

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Watchfulness, Awareness, Alertness (OSHO Singles) can make you experience more

interested to read.
