**God's not dead . . . but they're trying to kick him out of the public square!**

Welcome back to Hope Springs . . . where Christian Grace Wesley teaches high school history. She is on the hot seat with the school district after she answers Brooke Thawley's question about Jesus during a classroom discussion. Suddenly, Brooke becomes a pawn in an epic court case that could cost Grace the career she loves.

Tom Endler, a lawyer with the teachers' union, is tapped to reluctantly represent Grace in her fight for her First Amendment rights. He finds himself fighting for a cause he doesn't even believe in. Tom's research leads him to Amy Ryan, a reporter and former skeptic who found faith while battling cancer and watching the classroom battle unfold at Hadleigh University a year ago. Both are soon on a journey to understand what genuine faith really means as they fight to save Grace's job and avoid a court decision that could cripple the free speech rights of all Christians in the marketplace.

Based on the highly anticipated movie sequel, this novel tells more about the story behind the new blockbuster film and gives fans an update on favorite characters from the original film.
