**Reason & Rigor: How Conceptual Frameworks Guide Research** Sharon M. Ravitch, J. (John) Matthew (Matt) Riggan

Designed for novice as well as more experienced researchers, **Reason & Rigor** by Sharon M. Ravitch and Matthew Riggan presents conceptual frameworks as a mechanism for aligning literature review, research design, and methodology. The book explores the conceptual framework—defined as both a process and a product—that helps to direct and ground researchers as they work through common research challenges. Focusing on published studies on a range of topics and employing both quantitative and qualitative methods, the updated **Second Edition** features two new chapters and clearly communicates the processes of developing and defining conceptual frameworks.
