There is so much in the past, present and future that we do not understand. The book of Revelation helps us understand who is in full and sovereign control, the victorious Lamb on his throne. And what a great unveiling of the glorious Saviour is revealed in this apocalyptic book! In 65 expositional chapters, Douglas Kelly draws our attention to the central theme of this profound book - the Lord Jesus Christ himself. The Mentor Expository Series holds to an inerrant view of Scripture. The series is thoroughly researched with helpful practical application. This is a resource for pastors and Bible teachers who want to draw on Christ-centered expository teaching and for the lay reader who wants to delve more deeply into the riches of the Word of God.
