## American Political Rhetoric: Essential Speeches and Writings

American Political Rhetoric is the only reader for introductory classes in American politics, government, and political communication designed to explore fundamental political principles through examples of political rhetoric ranging from the founding to today. Now in its seventh edition, its selections include the entire political spectrum and contributors range from our nation's founders to contemporary elected public officials, Supreme Court opinions, and representatives of historic movements for social change. The new edition is fully updated to include recent Supreme Court decisions, edited for use in the classroom, presidential speeches, and expanded chapters on presidential powers, race, and gender. The book is now more useful than ever for students and teachers thanks to a supplementary website available at [americanpoliticalrhetoric.com](http://americanpoliticalrhetoric.com).
