GMAT Critical Reasoning (Manhattan Prep GMAT Strategy Guides) Manhattan Prep

Adapting to the ever-changing GMAT exam, Manhattan Prep's 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the top percentiles. Written by active instructors with 99th-percentile scores, these books are designed with the student in mind.

The *GMAT Critical Reasoning* Strategy Guide demystifies critical reasoning by teaching a clear, consistent, and effective approach to understanding an argument's logic and choosing the best answer to the given question. Unlike other guides that attempt to convey everything in a single tome, the *GMAT Critical Reasoning* Strategy Guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the *GMAT Critical Reasoning* Strategy Guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan Prep's online computer-adaptive GMAT practice exams and Critical Reasoning Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with the 2016 Edition GMAC Official Guide.
