With the choice between the nightmare known and the nightmare unknown, it is the pull of the journey that drives Guy onwards, surrounded by a strange demonic family: the giant of aggression, the hideous shrinking man and the silent child. Together they travel from their lonely island home into a land of rain and blood, where the last remnants of humanity desperately hold on to the spark of life against a growing flood of the undead, and where either sanity or truth will finally be unravelled.

Heal The Sick, Raise The Dead is the second novel from Jacob Prytherch, author of The Binary Man.
