Rebecca Solnit

**Men Explain Things To Me** Rebecca Solnit

"This slim book—seven essays, punctuated by enigmatic, haunting paintings by Ana Teresa Fernandez—hums with power and wit."—*Boston Globe*

"The antidote to mansplaining."—*The Stranger*

"Feminist, frequently funny, unflinchingly honest and often scathing in its conclusions."—*Salon*

"Solnit tackles big themes of gender and power in these accessible essays. Honest and full of wit, this is an integral read that furthers the conversation on feminism and contemporary society."—*San Francisco Chronicle Top Shelf*

"Solnit [is] the perfect writer to tackle the subject: her prose style is so clear and cool."—*The New Republic*

"The terrain has always felt familiar, but *Men Explain Things To Me* is a tool that we all need in order to find something that was almost lost."—*National Post*

In her comic, scathing essay, "Men Explain Things to Me," Rebecca Solnit took on what often goes wrong in conversations between men and women. She wrote about men who wrongly assume they know things and wrongly assume women don't, about why this arises, and how this aspect of the gender wars works, airing some of her own hilariously awful encounters.

This updated edition with two new essays of this national bestseller book features that now-classic essay as well as "#YesAllWomen," an essay written in response to 2014 Isla Vista killings and the grassroots movement that arose with it to end violence against women and misogyny, and the essay "Cassandra Syndrome." This book is also available in hardcover.

Writer, historian, and activist **Rebecca Solnit** is the author of fourteen books, most recently *The Faraway Nearby*. She is a *Harper's Magazine* contributing editor.
