The Night Boat Robert McCammon

The Night Boat, Robert McCammon's third published novel, first appeared as a paperback original in 1980. Following on the heels of Baal and Bethany's Sin, it offered further proof that a writer of great narrative power and limitless potential—a writer who would achieve a significant position in modern popular fiction—had arrived.

The story begins with a vividly written prologue in which a German U-boat—sometimes known as an “Iron Coffin”—attacks an unsuspecting merchant vessel, and is itself attacked by a pair of Allied sub chasers. The action then shifts to the present day and to the idyllic Caribbean island of Coquina, where life is about to change in unimaginable ways. David Moore, a young man with a tragic and haunted past, is skin-diving in the waters off Coquina, searching for the salvageable remnants of shipwrecks. He accidentally detonates a long-unexploded depth charge, uncovering and releasing a submarine that has lain beneath those waters, virtually intact, for decades. The battered vessel that rises to the surface contains a bizarre and terrifying cargo that will transform a once peaceful island into a landscape of unrelenting nightmare.

The Night Boat is a story of cannibalism, ancient voodoo curses, and shambling, undead entities filled with a bottomless rage and an equally bottomless hunger. But it is also the story of a past that refuses to die, that lies in wait just beneath the surface of the unsuspecting present. Furiously paced and viscerally frightening, this horrific early gem is both an outstanding entertainment in its own right and a harbinger of the masterpieces to come.

From reader reviews:

Margaret Bonner:

What do you consider book? It is just for students because they are still students or that for all people in the world, the particular best subject for that? Just simply you can be answered for that query above. Every person has several personality and hobby for every single other. Don't to be pressured someone or something that they don't want do that. You must know how great as well as important the book The Night Boat. All type of book is it possible to see on many methods. You can look for the internet sources or other social media.

Vicky Penn:

Exactly why? Because this The Night Boat is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will jolt you with the secret that inside. Reading this book beside it was fantastic author who else write the book in such awesome way makes the content on the inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of gains than the other book have such as help improving your expertise and your critical thinking means. So , still want to delay having that book? If I were you I will go to the reserve store hurriedly.

Lee Wing:

In this time globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The healthiness of the world makes the information quicker to share. You can find a lot of references to get information example: internet, paper, book, and soon. You will see that now, a lot of publisher that will print many kinds of book. The particular book that recommended to you personally is The Night Boat this e-book consist a lot of the information of the condition of this world now. This kind of book was represented how can the world has grown up. The terminology styles that writer value to explain it is easy to understand. The writer made some research when he makes this book. Honestly, that is why this book appropriate all of you.

Daisy Harris:

What is your hobby? Have you heard that question when you got learners? We believe that that question was given by teacher for their students. Many kinds of hobby, Every individual has different hobby. And you know that little person like reading or as reading become their hobby. You must know that reading is very important in addition to book as to be the matter. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You find good news or update regarding something by book. Many kinds of books that can you go onto be your object. One of them is The Night Boat.
