This second and concluding volume of Jigme Lingpa's classic *Treasury of Precious Qualities* is presented together with a detailed commentary by Kangyur Rinpoche. Composed in the form of a *lamrim*, or presentation of the stages of the path, the first volume set out the teachings of the sutras. The present volume continues this same structure and is a general description of the tantra teachings followed by an exposition of the Great Perfection, which in the Nyingma School of Tibetan Buddhism is regarded as the summit of all vehicles and the final stage of the path of spiritual training. The section on the tantras is a compendious presentation of all important issues: lineage, empowerment, the generation and perfection stages, and samaya. The section on the Great Perfection is arranged according to the classification of Ground, Path, and Result and gives an extremely clear introduction to the doctrinal background that underpins the practice of this unique system.
