Heidi knew Aedan was a world-class MMA fighter. Heck, his face was plastered on half of the banners in Vegas. But the other half held Attila's face - and Attila was about to finish what he started.

To break Aedan into so many pieces that he could never be put back together again.

Half of the author's proceeds of all Ophelia Sikes books benefit battered women's shelters.

Uncovered is the fifth novella in the Vegas Nights series. Due to the strong sexual content and adult situations, this book is recommended for readers aged 17+.

Vegas is a spectacular place. I've been there many times. It's a world of exploring exotic fantasy and releasing submerged desires. It boasts gorgeous, jaw-dropping artwork and bass-pounding nightclubs.

But Vegas is also a place with its dark side. Many are lured in by the bright lights and become lost in the shadows. One only has to look at the beggars lining the bridges, or the homeless found only blocks away from the shine of the strip, to see what can happen when gambling, drugs, drinking, and other vices run their course unchecked.
