Drawing on Istanbul - Istanbul Izleri (English and Turkish Edition) Trici Venola

Beautifully detailed pen and ink drawings with the artist's comments about each drawing in both English and Turkish. "These drawings are Plein Aire, which is a nice way of saying that they're drawn from life.

Whatever you see here is just as I saw it. How were they done? Slowly, in pen and ink. To preserve the sketchbook experience the drawings here are the same size as they appear on the original pages. Guidelines and comments are left in for your amusement. We want to bring you here. If you've already been, we want to bring you back." Trici Venola
