When complete, the North Country National Scenic Trail will stretch more than 4,000 miles, offering premier hiking and backpacking opportunities from eastern New York to central North Dakota. The North Country Trail is being built in sections across seven states by a broad coalition of organizations, agencies, volunteers and landowners. After just two decades of work, the trail already offers more than 2,000 miles of off-road sections to explore.

Gathering information on so much trail might seem overwhelming. Luckily, whether you're a long distance hiker, or a day user out to explore a few miles at a time, Hikeable Segments gives you everything you need to start planning your next trip on the North Country National Scenic Trail! Hikeable Segments provides basic information on every off-road section of the North Country Trail, a listing of all maps currently available for each trail segment, and resources, including "frequently asked questions" and more!
