## Lisey's Story: A Novel Stephen King

The “haunting...tender, intimate book that makes an epic interior journey” (*The New York Times*), *Lisey's Story* is a literary masterpiece—an extraordinarily moving and haunting portrait of a marriage and its aftermath.

Lisey lost her husband Scott after a twenty-five-year marriage of profound and sometimes frightening intimacy. Scott was an award-winning, bestselling novelist and a very complicated man. Early in their relationship, before they married, Lisey knew there was a place Scott visited—a place that both terrified and healed him, could eat him alive or give him the ideas he needed in order to live and create. Now, two years after Scott's death, it's Lisey's turn to face his demons, to go to that terrifying place known as Boo'ya Moon. What begins as a widow's effort to sort through the vast papers of her celebrated husband becomes a nearly fatal journey into the darkness he inhabited.

“Intricate...exhilarating” (*The New Yorker*), perhaps Stephen King's most personal and powerful novel ever, *Lisey's Story* is about the wellsprings of creativity, the temptations of madness, and the secret language of love. It is a beautiful, “rich portrait of a marriage, and the complicated affection that outlives death” (*The Washington Post*). Says Michael Chabon, “In *Lisey's Story*, Stephen King makes bold, brilliant use of his satanic storytelling gift, his angelic ear for language, and, above all, his incomparable ability to find the epic in the ordinary.”
