Lover of Light

Mel Bossa

Lover of Light Mel Bossa

It only takes a touch to shatter the line between hate and love.

Andy genuinely tried to be happy when his best friend, Dimitry, decided to marry his on-again-off-again Bulgarian boyfriend, Alexei—a beautiful problem case who's obviously using Dimitry to get a green card. When Dimitry admits only days later that it's over between him and the *little gypsy jerk*, Andy can barely contain his pleasure.

Then Andy's boss announces he's hired a new waiter. *A real firecracker*. When Alexei walks through the club's door, Andy is completely unprepared to work with the man he blames for Dimitry's broken heart.

In spite of himself, Andy becomes captivated by Alexei the musician, the singer—the man who still carries a light inside him despite his dark past. But Alexei's time is quickly running out, and his health is fading fast. Though the love growing between them gets brighter every day, Alexei will soon have no choice but to return home to Bulgaria.

Unless Andy can convince him that home is waiting for him—right here in his arms.

Warning: Contains a bartender who thinks he's got his enemy categorized as neatly as a row of shot glasses...until his heart is straight-up shaken and stirred by love.

From reader reviews:

Daniel Hartung:

In this 21st one hundred year, people become competitive in every single way. By being competitive now, people have do something to make them survives, being in the middle of typically the crowded place and notice by surrounding. One thing that often many people have underestimated the idea for a while is reading. Yes, by reading a book your ability to survive raise then having chance to stand up than other is high. To suit your needs who want to start reading a new book, we give you this kind of Lover of Light book as beginning and daily reading publication. Why, because this book is greater than just a book.

Sam Stenger:

Information is provisions for individuals to get better life, information today can get by anyone from everywhere. The information can be a understanding or any news even restricted. What people must be consider when those information which is in the former life are difficult to be find than now is taking seriously which one would work to believe or which one the resource are convinced. If you obtain the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Lover of Light as your daily resource information.

Charles Stubblefield:

The book untitled Lover of Light contain a lot of information on this. The writer explains her idea with easy means. The language is very easy to understand all the people, so do not really worry, you can easy to read that. The book was published by famous author. The author provides you in the new time of literary works. You can easily read this book because you can keep reading your smart phone, or program, so you can read the book inside anywhere and anytime. In a situation you wish to purchase the e-book, you can available their official web-site and also order it. Have a nice learn.

Judith Ellis:

Do you like reading a publication? Confuse to looking for your selected book? Or your book ended up being rare? Why so many concern for the book? But just about any people feel that they enjoy intended for reading. Some people likes studying, not only science book and also novel and Lover of Light or maybe others sources were given understanding for you. After you know how the truly great a book, you feel need to read more and more. Science reserve was created for teacher or maybe students especially. Those books are helping them to add their knowledge. In some other case, beside science guide, any other book likes Lover of Light to make your spare time a lot more colorful. Many types of book like here.
