My American Heritage Charles E. Sowell

In *My American Heritage*, Charles Sowell traces his American family ancestry from the pre-Revolutionary War period through to his generation. Along with the genealogy, he incorporates the stories of ancestors and relatives who had unique experiences as these families followed the expanding American frontier and participated in the Revolutionary War, the War of 1812, and the Civil War. In the second part of the book, he relates the experiences of his own childhood, first on a farm in central Texas, and then in his hometown of Cleburne, Texas.
