**Operations Management: Sustainability and Supply Chain Management (12th Edition)** Jay Heizer, Barry Render, Chuck Munson  
*For courses in Operations Management.*

**A broad, practical introduction to operations, reinforced with an extensive collection of practice problems**

*Operations Management: Sustainability and Supply Chain Management* presents a broad introduction to the field of operations in a realistic and practical manner, while offering the largest and most diverse collection of issues on the market. Problems found in the **Twelfth Edition** contain ample support—found in the book’s solved-problems and worked examples—to help readers better understand concepts important to today’s operations management professionals.

For a briefer version without the business analytic modules at the end of the text, see Heizer/Render/Munson’s *Principles of Operations Management: Sustainability and Supply Chain Management, 10e* (0134181980 / 9780134181981).
