Majestic tall ships with billowing sails and a spider web of rope rigging. Massive stone forts with turrets, towers, and blazing cannons. Treasure chests filled with gleaming gold and colorful jewels. Parrots, sea monsters, and ocean-blasted docks. And most important of all, the cunning yet heroic pirate — complete with blunderbuss, sword and battle-torn clothes. Nothing excites the imagination more than the world of pirates, and now *Pirate Arrrt!* shows readers how to bring it all to life with their own personal drawings.
