Pure Drivel Steve Martin

Steve Martin's talent has always defied definition: a seasoned actor, a razor-sharp screenwriter, an acclaimed playwright, and, of course, the ingenious comedian who turned King Tut into a national craze. In this widely praised collection of humorous riffs, Martin shows he is also a master of the written word. From a wildly imaginative meditation on who Lolita would be at age fifty to a send-up of the warning labels on medicine bottles, these pieces, many of which first appeared in *The New Yorker*, hilariously and intelligently skewer the topic at hand. *Pure Drivel* will have readers crying with laughter--and marveling that in addition to all of his many talents, Steve Martin is also a superb writer.
