The Solo Beatles Film & Tv Chronicle 1971-1980 Jörg Pieper

This book is meant as a companion volume to The Beatles Film & Tv Chronicle 1961-1970 and covers the first ten years of the solo careers of the individual Beatles from 1971 to 1980. It is the indispensable reference book for every serious Beatles video collector, with several years worth of research and investigation into the massive amount of film material held in archives around the world. The book includes details on over 100 hours worth of solo material, with many items covered for the very first time, and is fully illustrated with over one hundred thumbnail images (b/w) taken from a variety of film sources. As a bonus, the book also includes a chapter of updates regarding recently discovered and new information about films of The Beatles as a group during the years from 1961 to 1970. Through the years the author has been consulted for several Beatles film and book projects, including the 2011 Martin Scorsese documentary: George Harrison - Living in the Material World.
